EMPLOYMENT AGREEMENT

THIS EMPLOYMENT AGREEMENT (this "Agreement") is entered into by and between VisionQuest, Ltd ("VisionQuest"), an Arizona limited liability company, and Yousef Awwad ("Executive"). VisionQuest and Executive are referred to individually as a "Party" and, collectively, as the "Parties." In consideration for Executive's continued employment with VisionQuest, and for other good and valuable consideration, the sufficiency of which is hereby acknowledged, VisionQuest and Executive agree as follows:

1. **Employment and Duties.**

(a) **Employment; Position with VisionQuest; Duties.** VisionQuest hereby employs Executive, and Executive hereby accepts such employment upon the terms and conditions hereinafter set forth. Executive shall serve as Chief Executive Officer ("CEO") of VisionQuest, reporting to the Board of Directors of VisionQuest ("Board"). In this capacity, Executive shall be responsible for the overall leadership, management, and operation of VisionQuest and shall take such steps as are reasonably necessary to assure the financial strength and integrity of VisionQuest. In addition, Executive shall have such duties, authorities, and responsibilities commensurate with the duties, authorities, and responsibilities of persons in similar capacities in similarly sized companies, and such other duties and responsibilities as the Board shall reasonably designate that are consistent with Executive's position as CEO. Executive's initial Job Description is set forth in Exhibit A to this Agreement and incorporated herein by reference.

(b) **Executive Commitment; Outside Activities.** Executive acknowledges and agrees that Executive's position is a full-time, salaried, exempt position and not eligible for overtime pay. Executive agrees to devote substantially all of Executive's professional time to the performance of his duties and responsibilities VisionQuest's CEO. Executive agrees not to engage in any other employment during the term of this Agreement that would interfere with Executive's ability to perform Executive's duties and obligations as set forth in Exhibit A. Executive agrees to comply with all of VisionQuest's lawful rules, regulations, policies, and directions, whether written or unwritten, during Executive's employment.

(c) **Duty of Loyalty**. Executive will serve VisionQuest faithfully, loyally, honestly, and to the best of the Executive's ability. This includes, but is not limited to, an agreement that, to the fullest extent permitted by law, while employed by VisionQuest, Executive will not, directly or indirectly (whether as employee, agent, consultant, holder of a beneficial interest, creditor, or in any other capacity), engage in any employment, contracting, business, venture, or any other service or activity which conflicts with Executive's duties under this Agreement, including services that are directly or indirectly in competition with the business of VisionQuest (as defined by Competing Business below), or have any interest in any person, firm, corporation, or venture which engages directly or indirectly in competition with the business of VisionQuest (as defined by Competing Business below).

2. **Employment Period.** As used herein, the "Employment Period" means the period commencing on the date hereof and continuing for a period of 5 years, and auto-renewed for a subsequent 5-year term, unless earlier terminated as set forth in Section 4 below.

3. **Compensation; Benefits; Taxes.**

(a) **Salary.** During the Employment Period, VisionQuest agrees to pay Executive a salary as compensation for the services to be performed by Executive as provided herein at the rate of $350,000.00 per year (the "Salary"). The Salary shall be paid in substantially equal periodic installments, in accordance with VisionQuest's standard payroll practices. Increases to the Salary, if any, shall be determined as part of Executive's annual performance evaluation. The Salary shall be prorated for any partial years of service.

(b) **Bonus.** Starting January 1, 2023, Executive shall be eligible to earn an annual bonus paid quarterly (the "Bonus") in the amount of five percent (5%) of VisionQuest's Fiscal Year Net Income. For purposes of this paragraph, "Fiscal Year Net Income" is calculated as VisionQuest's gross revenue less its Expenses from July 1 through June 30. For this purpose, "Expenses" shall not include taxes, bonuses paid to other executives of VisionQuest, or payments made to former executives of VisionQuest pursuant to written contractual compensation arrangements. The amount of the Bonus, if any, shall be calculated by Human Resources, Payroll, or the Finance Director, in good faith and shall be paid to Executive in a single lump sum cash payment no later than thirty (30) days following the last day of the quarter to which the Bonus relates. In the event the quarterly Net Income for any given quarter is a loss, the subsequent quarterly Bonus shall be offset by a commensurate reduction such that the Bonus in any Fiscal Year equals five percent (5%) of the Fiscal Year Net Income. Executive must be employed by VisionQuest to earn this bonus. If Executive's employment is terminated before the end of the fiscal year, executive would receive 5% of net income for the months he was employed on a prorated basis.

(c) **Additional Benefits.** In addition to the Salary, Executive may participate in any employee benefit plan adopted by VisionQuest, including, but not limited to, medical coverage, life insurance, disability or long-term care insurance, and contributions to Executive's retirement plan, and such other benefit plans available to other executive employees of VisionQuest. The terms and conditions of Employee's participation in such plans shall be set forth in the relevant plan documents. Notwithstanding the foregoing, VisionQuest may modify or terminate any employee benefit plan at any time in accordance with its terms.

(d) **Business Expenses.** VisionQuest will pay or reimburse Executive for reasonable business expenses, incurred by Executive, which are directly related to the performance of Executive's duties of employment, and Licenses, Certifications, and the cost to maintain them subject to maintenance and timely submission of supporting documentation by Executive in accordance with established VisionQuest policy.

(e) **Paid Time Off (PTO) and Holidays.**

(i) **Paid Time Off.** Executive is entitled to a reasonable number of days of paid time off ("PTO") per calendar year, in an amount no less than five (5) weeks. Additionally, Executive is entitled to 5 days of sick days (40 hours) per calendar year, in accordance with Arizona's Fair Wages and Healthy Families Act, to the extent that Executive's use of PTO does not interfere with Executive's performance of the job duties described in Exhibit A. Such PTO can be used, in Executive's discretion, for vacation, sick time, personal appointments, schooling, volunteerism, and/or other activities of Executive's choice. VisionQuest's PTO policy shall govern

Executive's use of PTO; provided, however, that, to the extent VisionQuest's PTO policy conflicts with this Section, this Section shall govern.

(ii) Holidays. In addition to PTO, Executive shall be entitled to paid holidays, as observed by VisionQuest in VisionQuest's sole discretion.

(f) Withholdings and Deductions. VisionQuest shall have the right to withhold from the Salary the amount of any local, state, or federal taxes, withholdings, and other lawful deductions that are required to be withheld or otherwise deducted and paid by VisionQuest.

4. Termination of Employment. The date upon which Executive's termination of employment pursuant to this Section 4 shall be effective is referred to as the "Termination Date."

(a) Termination by VisionQuest or Executive. VisionQuest may terminate the employment relationship with or without Cause (as defined) at any time, with or without notice. Executive may terminate the employment relationship at any time, with or without notice. Notwithstanding the foregoing, in the event that Executive is terminated without Cause, then Executive will still be entitled to receive all amounts due under this contract, whether Bonus or salary.

(b) Death. If, during the Employment Period, Executive shall die, Executive's date of death shall be the Termination Date, and Executive's beneficiaries or estate shall be entitled to receive in cash an amount equal to any accrued and unpaid compensation, vacation leave, and personal/sick leave through the Termination Date ("Accrued Obligations").

(c) Disability. If, during the Employment Period, Executive shall become incapacitated or disabled by accident, sickness, or otherwise, so as to render Executive mentally or physically incapable of performing the essential functions of Executive's job, even with a reasonable accommodation, VisionQuest may terminate Executive's employment, in which event Executive shall be entitled to receive in cash an amount equal to any Accrued Obligations.

(d) Termination for Cause. VisionQuest may terminate Executive's employment during the Employment Period for Cause (as hereinafter defined) upon the Board's written notice to Executive specifying the basis for Executive's termination of employment. The termination will be effective immediately unless the Board specifies a different date in the notice. If, during the Employment Period, Executive's employment shall be lawfully terminated by VisionQuest for Cause, VisionQuest's obligation to pay the Salary for the benefit of Executive shall cease on the Termination Date.

As used herein, the term "Cause" shall mean: (1) conviction or entry of a plea of nolo contendere for a crime or offense involving misappropriation of monies or other property, or any felony offense (including Foreign Corrupt Practices Act of 1977), or Executive's commission of fraud or embezzlement; (2) breach by Executive of Executive's fiduciary duties to VisionQuest; (3) insubordination or willful failure to discharge any of Executive's duties or obligations under this Agreement; (4) violation of any law, rule, or regulation of any governmental agency with jurisdiction over VisionQuest which could reasonably be expected to impair VisionQuest's ability to conduct its business in its usual manner or could reasonably be expected to subject VisionQuest

to public disrespect, scandal, or ridicule, including, but not limited to, any state or federal discrimination laws or wage laws; (5) insobriety or non-therapeutic use of drugs, chemicals, or controlled substances either: (A) in the course of performing Executive's duties and responsibilities under this Agreement; or (B) in any other manner affecting Executive's ability to perform Executive's duties and responsibilities under this Agreement; (6) willful misconduct with respect to the business and affairs of VisionQuest or any subsidiary or affiliate thereof, including, but not limited to, Executive's willful violation of any Code of Ethics or any other material policy of VisionQuest; (7) dishonesty; (8) any act or omission constituting a material breach by Executive of any provision of this Agreement; (9) Executive's violation of any VisionQuest policy involving harassment, discrimination, intellectual property, and/or confidentiality; (10) Executive has made oral or written statements disparaging the reputation of VisionQuest, its products, or its services; and/or (11) Executive's negligence or refusal or failure to perform Executive's duties as set forth in this Agreement, which, if curable, is not cured within 30 calendar days after receipt of written notice from the Board of such unsatisfactory performance; provided, however, that successive refusals or failures involving the same unsatisfactory performance by Executive shall be deemed incapable of being cured; (12) Multiple consecutive quarterly losses due to declining of gross income or net profits; (13) Inability to execute the company's strategic plan.

(e) Severance Pay and Benefits, Release.

(i) Severance Pay and Benefits. If VisionQuest terminates this Agreement without Cause and Executive incurs a "separation from service" as defined in Treasury Regulation Section 1.409A-1(h) (applying the default rules of Treasury Regulation Section 1.409A-1(h)), Executive shall receive "Severance Pay" in the amount of Salary that would be paid for the remaining term of the Agreement at the rate applicable as of the Termination Date. The Severance Pay shall be paid to Executive in substantially equal periodic installments, in accordance with VisionQuest's standard payroll practices, with the first installment paid during the first payroll period following the expiration of the release revocation period described in Section 4(e)(ii) below.

(ii) Release Required. In order to receive the Severance Pay, Executive must, no later than 60 calendar days following the Termination Date, execute (and not revoke) a general release and waiver of any claims that Executive may have in connection with Executive's employment and termination of employment with VisionQuest. Notwithstanding anything in this Agreement to the contrary, if VisionQuest concludes, in the exercise of its discretion, that the Severance Pay is subject to Section 409A of the Internal Revenue Code of 1986, as amended (the "Code"), and if the consideration period described in the release, plus the revocation period described in the release, spans two calendar years, the Severance Pay shall not begin to be paid until the second calendar year.

(f) Communication Regarding Termination. VisionQuest shall have sole authority for any communications regarding termination of this Agreement pursuant to this Section 4. In the event of termination, VisionQuest and Executive agree not to defame, disparage, or denigrate one another to VisionQuest's members or members of the public.

(g) Return of Materials and Equipment. At the request of VisionQuest or upon termination of Executive's employment for any reason, Executive shall immediately deliver

to VisionQuest all keys, property, books, reports, papers, contracts, notes, data reference materials, drawings, memoranda, documentation, computers, software, tools, apparatus, and any other materials and equipment furnished to Executive by VisionQuest or that were prepared or made, in whole or in part, by Executive at any time during Executive's association with or employment by VisionQuest, and any reproductions, copies, duplications or modifications thereof. Executive acknowledges and agrees that VisionQuest may withhold from Executive's accrued but unused vacation pay or reimbursement (but not from Executive's Salary) some or all of the cost of any materials or equipment that are not returned when required. VisionQuest may also take all action deemed appropriate to recover and protect its materials and equipment.

(h) Continued Availability and Cooperation. Following the termination of Executive's employment for any reason, Executive will cooperate fully with VisionQuest and with VisionQuest's counsel in connection with any present and future actual or threatened litigation, administrative proceeding, or other investigation involving VisionQuest that relates to events, occurrences, or conduct occurring (or claimed to have occurred) during the Employment Period. Executive is instructed to tell the truth in any litigation, administrative proceeding, or other investigation involving VisionQuest, and nothing in this Agreement shall be deemed or construed to suggest otherwise.

5. Restrictive and Other Covenants.

(a) Restricted Period and Geographic Scope. The restrictive covenants set forth in this Section 5 shall apply during the Restricted Period (as defined below). Executive agrees that the Restricted Period will be extended by the number of days included in any period of time during which Executive is or was engaged in any activity which would, as determined by an arbitrator or court of competent jurisdiction, constitute a breach of this Section 5. The "Restricted Period" of the restrictive covenants set forth in this Section 5 shall be the Employment Period and shall continue until the 12-month anniversary of Executive's termination of employment for any reason. The "Geographic Scope" of the restrictive covenants set forth in this Section 5 is any state in which VisionQuest provides services at the time of Executive's termination of employment with VisionQuest for any reason and includes Arizona, Delaware, Maryland, Pennsylvania, and Texas.

(b) Non-Competition. As part of Executive's employment as an executive of VisionQuest, Executive agrees that, during the term of employment, and during the Restricted Period and within the Geographic Scope, Executive will not, without the prior written consent of VisionQuest, engage in any Competing Business (as defined below). For purposes of this Agreement, Executive shall be deemed to be engaged in a "Competing Business" if, in any capacity, including, but not limited to, proprietor, partner, officer, director, employee, shareholder, member, contractor, consultant, agent, or advisor, Executive engages or participates, directly or indirectly, in the operation, ownership or management of any proprietorship, partnership, company, or other entity that competes, in whole or in part, with the then actual business in which VisionQuest or one of the then existing VisionQuest affiliates is engaged on the date of Executive's termination of employment for any reason in a role similar to Executive's role with VisionQuest or in a role wherein Executive's use of VisionQuest's Confidential and Proprietary Information (as defined below) would cause competitive harm to VisionQuest.

(c) **Non-Solicitation.** Executive recognizes that VisionQuest's customers and employees are valuable and proprietary resources of VisionQuest. Accordingly, Executive agrees that, during the Restricted Period, Executive will not, directly or indirectly, through Executive's own efforts or through the efforts of another person or entity: (i) solicit or accept Competing Business from any individual or entity to which Executive serviced, solicited, had confidential information, or had other business contact with during the last 12 months of Executive's employment with VisionQuest; or (ii) solicit employees of VisionQuest to terminate their employment with VisionQuest in order to join a Competing Business or any other enterprise, whether a Competing Business or not, with which Executive may affiliate.

(e) **Violation; Reasonableness.** If Executive violates the restrictive covenants set forth in this Section 5, VisionQuest shall have the right to cease making the payments described in Sections 3 and 4(e) of this Agreement, and Executive will forfeit Executive's right to receive any amounts that would have been paid to Executive absent a violation of this Section 5. Executive agrees that if an arbitrator or court of competent jurisdiction determines that Executive has breached the restrictive covenants set forth in this Section 5, Executive must repay to VisionQuest any amounts paid to Executive pursuant to Sections 3 and 4(e) during the period of time in which Executive was engaged in the activity that constituted a breach of this Section 5 (except that Executive shall be entitled to retain $2,000, which Executive acknowledges serves as sufficient consideration for the release described in Section 4(e)(ii)).

(f) **Notice to Future Employers.** Executive agrees that VisionQuest shall have the right to notify any future or prospective employers, or individuals or entities with whom Executive may be entering into a contractual relationship, of the provisions of this Section 5 for purposes of ensuring that VisionQuest's interests are protected.

6. **Confidential and Proprietary Information.**

(a) **VisionQuest's Confidential and Proprietary Information.** During the course of Executive's employment, Executive will be exposed to and will create a substantial amount of Confidential and Proprietary Information. The term "Confidential and Proprietary Information" shall include, but not be limited to, any non-public: financial information, annual reports, audited and unaudited financial reports, operational budgets and strategies, methods of operation, membership lists, databases, strategic plans, business plans, marketing plans and strategies, new business strategies, notes, information, studies, surveys, interviews, practices, procedures, and processes made, conceived or developed by Executive while an employee of VisionQuest, Trade Secrets (as defined below), management systems programs, computer systems and software, technical data, results of research, design, or development activities, Intellectual Property (as defined below), personnel and compensation information and payroll data, and other such reports, documents, or information. All Confidential and Proprietary Information shall be and remain the sole property of VisionQuest, and Executive shall have no interest therein, or rights with respect thereto. Executive shall take all necessary precautions to prevent any unauthorized disclosure of Confidential and Proprietary Information. In the event Executive's employment is terminated by either Party for any reason, Executive promises that Executive will not take or retain any copies of such Confidential and Proprietary Information in any form, format, or manner whatsoever (including, but not limited to, computer printouts, computer tapes, hard drives, floppy

disks, CD ROMs, USB flash drives, etc.) nor will Executive disclose the same in whole or in part to any person or entity, in any manner either directly or indirectly. Excluded from this Agreement is information that is already lawfully disclosed to third parties and is in the public domain or that VisionQuest consents to be disclosed, with such consent to be in writing and signed by the Board.

(b) Third Party Information. Executive recognizes that VisionQuest has received and, in the future, will receive confidential or proprietary information from third parties for limited purposes and agrees to use said information only for those certain limited purposes. Executive agrees that Executive owes VisionQuest and other third parties, during the term of their association and from then on, a duty to hold all such confidential or proprietary information in the strictest of confidence and not to disclose it to any person, firm, or corporation (except as necessary in carrying out Executive's work for VisionQuest consistent with VisionQuest's agreement with such third party) or to use it for the benefit of anyone other than for VisionQuest or such third party (consistent with VisionQuest's agreement with such third party) without the express written authorization of VisionQuest and third party. Any such information shall be considered Confidential and Proprietary Information for the purposes of this Agreement.

(c) Intellectual Property. All Intellectual Property relating to the business of VisionQuest that are conceived, made, reduced to practice, developed, or authored by Executive during Executive's employment pursuant to this Agreement, alone or jointly with others, shall be the exclusive property of VisionQuest. The term "Intellectual Property" means any and all inventions, improvements, ideas, and discoveries, whether or not patentable, and writings, programs and other forms of expression in fixed tangible form, whether or not registrable for copyright. Executive irrevocably assigns all of Executive's rights, title, and interest in the Intellectual Property to VisionQuest. Executive agrees that all works of authorship created in furtherance of this Agreement are "works made for hire," as defined in 17 U.S.C. § 101. In the event that any work of authorship is not a "work made for hire" under the copyright laws, Executive agrees to assign and hereby does assign all of Executive's rights, title, and interest in such work of authorship to VisionQuest. Executive agrees to: (i) promptly disclose all Intellectual Property in writing to VisionQuest; (ii) cooperate fully with VisionQuest to enable it or its designated attorneys to prepare and process applications for United States and foreign patent and copyright registrations or to pursue other intellectual property protection on such Intellectual Property; (iii) execute all appropriate documents and assignments for such applications and other protection; and (iv) cooperate with VisionQuest as it may request in perfecting VisionQuest's ownership and in defending the validity of all patents, copyrights, and other statutory and common law rights that may arise from such applications and other protection. VisionQuest shall have the sole right to determine the treatment and disposition of Intellectual Property created or developed by Executive, including, but not limited to, the right to keep any such Intellectual Property as a Trade Secret, to use and disclose any such Intellectual Property without prior patent application, to file and prosecute United States and foreign patent applications on any such Intellectual Property, to file copyright registrations in its own name, or to follow any other procedure that VisionQuest may deem appropriate, all without consideration beyond the compensation Executive received while employed by VisionQuest. Notwithstanding the above, this Section 6 only applies to Intellectual Property conceived, made, reduced to practice, developed, or authored by Executive on behalf of VisionQuest during Executive's employment and does not apply to non-VisionQuest related efforts.

(d) **Trade Secrets.** The term "Trade Secrets" means any information, including a formula, pattern, compilation, program, device, method, technique, process or improvement, including financial data, customer information, financial performance and strategies, and financial projections, that derives independent economic value, whether actual or potential, from not being generally known to or readily ascertainable through appropriate means by other persons who might obtain economic value from its disclosure or use, and is the subject of efforts by any member of VisionQuest that are reasonable under the circumstances to maintain its secrecy.

(e) **Non-Disclosure of Confidential and Proprietary Information.** Executive acknowledges that all Confidential and Proprietary Information is a valuable, special, and unique asset of VisionQuest, access to and knowledge of which is essential to the performance of the Executive's duties. Executive agrees that, during and after Executive's employment with VisionQuest, Executive shall not, without the written consent of VisionQuest, disclose any of the Confidential and Proprietary Information to any person, firm, association, or other entity for any reason or purpose whatsoever, except: (i) in the case of any Confidential and Proprietary Information, as necessary in the due and proper performance of the Executive's duties with respect to VisionQuest; (ii) in the case of Confidential and Proprietary Information relating to this Agreement or the terms and conditions of Executive's employment by VisionQuest or that is required to be disclosed to comply with any applicable tax or regulatory requirements, confidentially to counsel, tax advisors, and other agents and representatives of Executive as required to obtain advice and assistance from such counsel, advisors, agents, or representatives; or (iii) in response to a valid court order, law, rule, regulation, or other governmental action, provided that: (A) VisionQuest is notified in writing prior to disclosure of the information and given reasonable opportunity to obtain a protective order; and (B) Executive assists VisionQuest, at VisionQuest's expense, in any attempt by VisionQuest to limit or prevent the disclosure of the Confidential and Proprietary Information. Executive shall not make use of any Confidential and Proprietary Information for Executive's own purposes or for the benefit of any person, firm, company, or other entity other than VisionQuest under any circumstances.

7. **Mutual Non-Disparagement; Social Media.** During the time Executive is employed by VisionQuest, and at all times thereafter: (i) VisionQuest shall not direct any of its directors, officers, or members of senior management to, whether in writing or orally, publicly malign, denigrate or disparage Executive with respect to any of Executive's past or present activities; provided, however, that nothing in the foregoing shall or shall be deemed to prevent or impair VisionQuest and any of its respective affiliates, directors, officers, managers, employees, agents, members, partners, stockholders, investors, or customers from making truthful statements in any legal or administrative proceeding or from otherwise complying with legal requirements; and (ii) Executive will not defame, be derogatory toward or otherwise disparage VisionQuest, its products, services, or VisionQuest's past, present and future officers, directors, managers, equity holders, members, attorneys, agents, representatives, employees, or affiliates, or its or their business plans or actions, to any third party, either orally or in writing; provided, however, that this provision will not preclude Executive from giving testimony in response to a lawful subpoena or preclude any conduct protected under any state or federal law, including those providing "whistleblower" protection to Executive or the right to engage in concerted activities. In addition, on the date of Executive's termination of employment for any reason, Executive shall update Executive's profile on social media websites (such as LinkedIn) to reflect that Executive is no longer an employee of VisionQuest.

8. Representations.

(a) No Conflict. Executive represents to VisionQuest that Executive's execution and performance of this Agreement does not violate the provisions of any employment, non-competition, confidentiality, or other material agreement to which Executive is a party or by which Executive is bound. Executive also agrees to indemnify and hold harmless VisionQuest from any and all damages and other obligations or liabilities incurred by VisionQuest in connection with any breach of the foregoing representation.

(b) Joint Representation. Executive and VisionQuest agree that each Party warrants and represents to the other that each of them fully understands all of the terms, covenants, conditions, provisions, and obligations contained herein to be performed by each of them and each of them agrees that the provisions of this Agreement are fair, equitable, reasonable, and in the best interests of both of them and hereby voluntarily accept the terms and provisions of this Agreement.

9. Remedies. In connection with the provisions contained herein, Executive expressly acknowledges and agree that:

(a) VisionQuest shall be entitled to all lawful remedies available to it for the enforcement of the covenants contained herein, and such provisions may be enforced by an action, suit, or proceeding (a "Proceeding") in any court of competent jurisdiction or before an arbitrator. In addition, Executive acknowledges and agrees that the covenants contained herein shall constitute separate covenants which shall be enforceable during and after the time Executive is employed by VisionQuest. Without limiting the generality of the foregoing, each of the Parties acknowledges and agrees that the other Party would be irreparably damaged if any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that each Party shall be entitled to preliminary and permanent injunctive relief to prevent breaches of the provisions of this Agreement by the other Party without the necessity of proving actual damages or posting any bond, and to enforce specifically the terms and provisions hereof, which rights shall be cumulative and in addition to any other remedy to which a Party may be entitled hereunder at law or equity. It is further agreed that the covenants contained herein are intended for the benefit of VisionQuest. VisionQuest, as well as any successor or assign of VisionQuest, may enforce the covenants contained in this Agreement.

(b) The covenants contained herein shall be construed as independent of any other provisions of this Agreement, and the existence of any claim or cause of action of the Executive against VisionQuest, whether predicated on this Agreement or otherwise, shall not constitute a defense to the enforcement by VisionQuest of the covenants of Executive contained herein.

10. **Dispute Resolution; Waiver of Jury Trial.**

(a) **Forum Selection**. All proceedings directly or indirectly arising from or relating to any controversy, dispute, or claim based upon, resulting from, or relating to this Agreement or the Executive's employment by VisionQuest or the termination thereof shall be brought in the state or federal courts located in Pima County, Arizona, and not in any other court in any other jurisdiction, subject to the limitations set forth in Section 10(b) below.

(b) EACH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT THAT SUCH PARTY MAY HAVE TO A TRIAL BY JURY OF ANY CLAIM OR CAUSE OF ACTION DIRECTLY OR INDIRECTLY ARISING FROM OR RELATING TO ANY CONTROVERSY, DISPUTE, OR CLAIM BASED UPON, RESULTING FROM, OR RELATING TO THIS AGREEMENT OR EXECUTIVE'S EMPLOYMENT BY VISIONQUEST OR THE TERMINATION THEREOF.

11. **Assignment; Successors and Assigns.** The rights and obligations of VisionQuest under this Agreement may, without the consent of Executive, be assigned by VisionQuest, in its sole discretion, to any subsidiary, joint venture or affiliate of VisionQuest, or successor in interest to a substantial portion of the business or assets of VisionQuest. The provisions of this Agreement shall inure to the benefit of, and be binding upon, VisionQuest and its successors and assigns, whether by merger, consolidation, transfer of substantially all assets, or otherwise, and the heirs and legal representatives of Executive. Executive shall not have the right to assign Executive's rights or obligations under this Agreement, including Executive's right to receive any compensation hereunder, which may not be assigned, sold, transferred, pledged or hypothecated, nor may the duties and obligations of the Executive hereunder be delegated.

12. **Notices.** All notices, consents, waivers, and other communications under this Agreement must be in writing and will be deemed to have been duly delivered: (a) three days after deposit with the United States Postal Service, if sent first-class; (b) when delivered by hand; or (c) when received by the addressee, if sent by a nationally recognized overnight delivery service, in each case to the appropriate addresses set forth below (or to such other addresses as a Party may designate by notice to the other Party):

if to VisionQuest: PO Box 12906

13. **Choice of Law.** This Agreement is to be effectuated in and shall be construed and interpreted in accordance with the laws of the State of Arizona, excluding any conflict-of-laws rule

or principle that may refer the governance or the construction of this Agreement to the law of another jurisdiction.

14. **Headings.** The Section headings hereof are for convenience only and shall not control or affect the meaning or construction or limit the scope or intent of any of the provisions of this Agreement.

15. **Waiver.** No covenant, term, or condition of this Agreement or the breach of thereof shall be deemed waived, except by written consent of the Party against whom the waiver is claimed and any waiver of any covenant, term, or condition, or breach shall not be deemed to be a waiver of any preceding or succeeding breach of the same or any other covenant, term, or condition.

16. **Severability.** It is expressly understood and agreed by the Parties that should any Section or any provision or portion of this Agreement be held to be invalid, illegal, or void, then and in such event, any Section, provision, or portion so held to be invalid, illegal, or void shall be deleted from this Agreement, and this Agreement shall be read as though such invalid, illegal, or void Section, provision, or portion was never included herein, and the remainder of such invalid, illegal, or void Section, provision, or portion shall nevertheless subsist and continue in full force and effect.

17. **Modification and Entire Agreement.** No modification or waiver of any of the terms of this Agreement shall be valid unless in writing and executed with the same formality as this Agreement; and the failure of either Party hereafter to require performance of any provision of this Agreement in accordance with its terms shall not be deemed a waiver. This Agreement and the exhibits hereto constitutes the entire Agreement between the Parties concerning the subject matter hereof and may not be modified or amended other than by a written instrument executed by both Parties. All agreements, oral or written, entered into by or on behalf of the Parties prior to this Agreement are revoked and superseded hereby. No representations, warranties, inducements, or oral agreements have been made by any of the Parties except as expressly set forth herein.

18. **Knowledge and Legal Representation.** Executive acknowledges that Executive has read and fully understands, or had explained to Executive by counsel of Executive's own choosing, all of the terms and conditions of this Agreement, and that Executive is signing this Agreement willingly and voluntarily, for and in consideration of the terms, conditions and covenants stated herein.

19. **Interpretation; Construction.** Whenever the context may require, any pronoun used in this Agreement shall include the corresponding masculine, feminine, or neuter forms, and the singular form of nouns, pronouns, and verbs shall include the plural and vice versa. Any reference to a "Section" shall be deemed to refer to a section of this Agreement. Unless the context otherwise requires, the words "hereof," "herein," and "hereunder" and words of similar import referring to this Agreement refer to this Agreement as a whole and not to any particular provision of this Agreement. The words "include," "includes," or "including" shall be deemed to be followed by the words "without limitation." Unless otherwise specifically provided for herein, the term "or" shall not be deemed to be exclusive. This Agreement is the result of negotiation between VisionQuest and Executive and both have had the opportunity to have this Agreement reviewed by their legal counsel and other advisors. Accordingly, this Agreement shall not be construed for

or against VisionQuest or Executive, regardless of which Party drafted the provision at issue. The language in all parts of this Agreement shall in all cases be construed as a whole according to its fair meaning and not strictly for or against either Party.

20. Counterparts; Copies; Signatures. This Agreement may be executed in counterparts, each of which when duly executed will be deemed an original document, but all of which will constitute a single document. Delivery of an executed counterpart by e-mail or fax shall be effective as delivery of an original executed counterpart. Signature pages may be detached from the counterparts and attached to a single copy of this Agreement to physically form one document.

21. Cooperation. The Parties agree to cooperate fully, execute any supplementary documents, and take all additional actions that might be necessary or appropriate to give full force and effect to the basic terms and intent of this Agreement.

22. Section 409A.

(a) General. This Agreement shall comply with Section 409A of the Code or an exception thereto, and each provision of the Agreement shall be interpreted, to the extent possible, to comply with Section 409A of the Code or an exception thereto. Nevertheless, VisionQuest does not and cannot guarantee any particular tax effect or treatment of the amounts due under this Agreement. Except for VisionQuest's responsibility to withhold applicable income and employment taxes from compensation paid or provided to Executive, VisionQuest will not be responsible for the payment of any applicable taxes on compensation paid or provided pursuant to this Agreement. Notwithstanding any other provision of this Agreement to the contrary, neither the time nor schedule of any payment under this Agreement may be accelerated or subject to further deferral except as permitted by Section 409A and the applicable regulations. Executive does not have any right to make any election regarding the time or form of any payment due under this Agreement. Notwithstanding anything in this Agreement to the contrary, if VisionQuest concludes, in the exercise of its discretion, that the severance benefits described in Section 4(e) are subject to Section 409A of the Code, no severance payment will be paid prior to Executive's "separation from service" as defined in Treasury Regulation Section 1.409A-1(h) (applying the default rules of Treasury Regulation Section 1.409A-1(h)). Installment payments shall be treated as separate payments for purposes of Treasury Regulation Section 1.409A-2(b)(2)(iii).

(b) Specified Executive. If the severance benefits described in Section 4(e) are subject to Section 409A of the Code, and if Executive is a "specified employee" as defined in Treasury Regulation Section 1.409A-1(i)(1) on the Termination Date, such payments shall not begin until the first day of the seventh month following Executive's "separation from service" as defined in Treasury Regulation Section 1.409A-1(h) (applying the default rules of Treasury Regulation Section 1.409A-1(h)).
