VisionQuest National, LTD. (VQ)

STRATEGIC PLAN

2022 - 2027

Vision Statement

VQ is committed to keep children safe, respected, and honored. Families are protected, strengthened, and educated. Communities are engaged, valued, and involved. VQ aspires to be an employer of choice for staff, who are developed, supported, and encouraged in an environment that embraces innovation and positive change.

Mission Statement

VQ is a national comprehensive child, youth, and family services organization, committed to providing successful and effective services while adhering to the highest professional standards. With nearly 50 years of experience, VQ provides children, youth, and families with trauma-informed and evidence based practices to promote their highest potential.

Values

Our services are designed and delivered with these foundations and principles:

Children and Youth are safe, respected, and honored

Families are protected, strengthened, and educated

Our team is developed, supported, and encouraged

Communities are engaged, valued, and involved

Corporate Structure

Operations

Maintain, , grow and optimize the company both locally and nationally in a responsible and steady manner

Finance

Improve revenues and financial reporting

Human Resources

Create a diverse culture that promotes inclusion, innovation, and staff advancement

Compliance

Ensure compliance with local, state, federal and other contractual obligations

Initiatives - Multi Year Objectives

Operations

Maintain, grow, and optimize the company both locally and nationally in a responsible and steady manner.

- Open at least one pathfinder program annually between 2022 – 2027
- Open at least one community based program annually between 2022 - 2027
- Expand current ORR programs by 10% between 2022 – 2027

Finance

Improve revenues and financial reporting

- Complete FY2022 with .5% profit margin then increase profitability 8% by the end of FY2027.
- Ensure 100% Compliance with Creditors' covenants and other bank requirements.
- Ensure the financial Audit is completed by March of the following fiscal year.

Human Resources

Create a diverse culture that promotes inclusion, innovation, and staff advancement.

- Automate Payroll by June 30, 2022.
- Create an opportunity for all staff to have the option of direct deposit by June 30, 2022.
- By June 30, 2022, ensure 100% compliance with the Health Care Act, IRS laws, rules and regulations and other federally mandated requirements related to HR and Payroll.
- Increase Recruitment and Hiring by 10% annually starting in 2022 through competitive wages, marketing, and communication strategies to attract qualified and diverse individuals.
- Increase staff retention by 10% annually starting in 2022 through a culture of employee engagement, wellness, diversity, and inclusion that leads to overall employee well-being, productivity, and retention. Develop and invest in employees to expand our succession management plan for growth and career opportunity within the agency.
- Enhance the technological infrastructure to allow for remote work experience for indirect care staff staff to reduce additional office overhead costs

Compliance

Ensure compliance with local, state, federal, and other contractual obligations.

- Ensure programs are compliant with their licensing and other contract requirements (both local, state and federal) at 100%.
- Ensure all policies and procedures are reviewed and updated annually.
- Compliance alignment with outcomes.
